

Dear Children,

Here I am for a week or two  
Keeping an eye on all that you do.

Remember to always be very good,  
Keep your hands to yourself and do what you should.

I will share what I see with good ole St. Nick  
Nice behavior will do the trick.

Remember, don't touch me while I move around.  
In a new place each morning I will wait to be found.

Love,

---
